Hi Sharon – I am waiting to hear back from Mike Rowe at DOJ with regard to DOJ and the Army Corp’s schedule. But, as it stands now, it looks like the Army Corp will not be ready for a meeting before the larger group meeting on the 12th as they are still processing data, so last week I suggested trying to coordinate the meeting during the week of November 17. As it stands now, Vishay and GTEOSI/Sylvania representatives are available on November 19, 20 and 21. Do any of those dates work for you? I will ping Mike again right now to see if can solicit a response.

Best,
Lisa

Sharon –
It appears that there are multiple conflicts amongst the group on the proposed dates, but most are available on November 12. Is that a possible date for EPA?
Best,
Lisa
